

17. California 2007

First time playing in CA was at the Fall NABC in 2007 in San Francisco. Of course, I've been back many times since for Regionals and NABCs. One of the fun trips was San Diego for the Fall NABC in 2009. Paul and I took a Segway tour while there. While at the actual tournament, Eric and I played while Paul caddied.

18. New Mexico 2008

I played in a sectional tournament in Albuquerque while visiting friends. We attended an arts and crafts festival while there and I purchased some glass artwork. Visit my house and you'll see it on the wall. You can do that by signing up for one of my in home supervised play groups!

19. Nevada 2008

I played in the summer NABC in Las Vegas, actually playing this trip, instead of just attending a class.

20. Massachusetts 2008

I played in the Fall NABC in Boston, partnering with Eric while Paul caddied.
