

21. Washington, D.C. 2009

Flight B GNT-pictured is the team that won the District final. Krisi substituted for my son in the finals in D.C.

22. Oklahoma 2010

I played in the Oklahoma City District finals for the GNT, but this year we didn't make the final cut to play in the summer NABC.

23. Kentucky 2011

I played in the spring NABC in Louisville, KY with my friend Lynne. We also found time to be tourists.

24. Florida 2012

Florida has become one of my favorite places to play as I love going there in January and February! The first time I played was in Fort Lauderdale at the local bridge club. I did manage to do some tourist activities though. Paul and I did a tour of the Everglades. This was taken the week before Paul moved from Miami, where he was living, back to Missouri. He got back to Missouri before I did!

25. Georgia 2013

I was working for the ABTA by this time, having started in 2010, so I was here for the summer NABC in Atlanta but also to run the ABTA Convention. I managed to find time to be a tourist as well.
