

26. Rhode Island 2014

My son Paul played with me for one session of the Fall NABC at least. He had just moved there the previous year, so I was to return to visit and play bridge there for many years. Here I am having dinner at Ogie's Trailer Park on a visit in 2017 to play in the Warwick Regional.

27. South Carolina 2018

I first played at the Myrtle Beach Bridge Club and then my friend Sandy went with me to Hilton Head to play in the Regional there.
