Mo-Kan Bridge Academy getting ready to kick off Major Fundraiser! Mo-Kan is actively looking for space in Lee's Summit. We are in need of some volunteers-architects, contract lawyers, interior designers. Patrick Moylan, President of Mo-Kan Bridge Academy is spearheading this committee. We will attempt to raise \$250,000 to get us into the space and carry us through the first year or two of expenses. If just 250 bridge players donated \$1000 we'd be there! Spread the word that this is happening! We have a matching donor, matching dollar for dollar, up to at least \$20,000, perhaps more between now and Dec. 31, 2026. Contact Kathy, as Sec.-Treas. of Mo-Kan to make a donation. More details at Mokan-bridge.org. **See our first fundraiser, Jerry Helms Workshop!**
