Mo-Kan Bridge Academy is still trying to raise funds! Mo-Kan is actively looking for space in Lee's Summit. **We are in need of some volunteers-architects, contract lawyers, interior designers.** Patrick Moylan, President of Mo-Kan Bridge Academy is spearheading this committee. **We are attempting to raise another \$240,000** to get us into the space and carry us through the first year or two of expenses. If just 240 bridge players donated \$1000 we'd be there! Spread the word that this is happening! We have a matching donor, matching dollar for dollar, up to at least \$20,000, perhaps more between now and Dec. 31, 2026. Contact Kathy, as Sec.-Treas. of Mo-Kan to make a donation. More details at Mokbanbridge.org.

Our next Fundraiser: Eat at Arby's at 150 Hwy and Market in Lee's Summit on Sept. 15. Just tell them you are supporting Mo-Kan Bridge and we'll get 20% of the sale!
